**NOTE:** If you are considering use of props, sets and/or apparatuses, they will need to be set up and broken down within your allocated time. If using special flooring and/or rigging you will need to provide volunteers to help set up and strike. Polaris Dance Theatre will provide someone to run basic sound. If you have detailed cues, you should bring an extra person to help with sound. There is no rehearsal time during the festival, so it is best to have someone managing sound that is familiar with your needs.

**Strict shoe and rosin policy:**

Please note that talc, rosin, spray, gel or powder, of any kind, is prohibited, on feet, shoes, hands or apparatus, and will not be allowed.

No street shoes will be allowed on the dance floor as there are many disciplines of movement using the same space and flooring.

Failure to follow these requests will mean that your class/performance will be forfeit
